Meet Your Sexual Sabbatical Coach

As a professional, **Staci Sweet** worked in performance management for a fortune 500 servicer. A part of her responsibility included managing, monitoring, and evaluating the performance of some 50+ direct reports which often included coaching and if need be, corrective action. That experience combined with her sexual expertise, and eighteen years of sexual retirement experience led her to found **Staci Sweet & Company (SS&C)**; a faith-based, online sexual coaching practice where she teaches singles how to manage their sexuality.

Along with her award-winning professional experience, she's designed an **Sex Masterclass** and **Sexual Sabbatical eCourse** for single women of faith. She's also authored a wait book for women entitled, '**Real Sex Issues: Real Talk About Life During, Before, and the Aftermath of Sex**', two marriage prep books entitled, '**Girl, Get Your Mind Right**' and '**Girl, Your Future Husband is Coming!**', and a prayer guide entitled, '**118 Bite-Sized Prayers for Future Wives**'. She's also served as an Abstinence Workshop Facilitator, written **outercourse education curriculum for parents** and a companion playbook for teens entitled, '**Girl, You're Not Ready!**'

As a former sex addict, she understands the difficulty of leaving a highly pleasurable and satisfying sex life.

But she also understands the need for single women of faith to retire their heads, hearts, and hips from the wear and tear of the game. After 18 years of sexual abstinence, she's gained a level of sexual mastery that most Sex Counselors, Therapists and Dating Coaches don't have. So girl are you up for the challenge?
